## **MESSAGE FROM THE DIRECTOR GENERAL OF DUBAI HEALTH AUTHORITY**

On behalf of the Dubai Health Authority and the Government of Dubai, it gives me immense pleasure to welcome the delegates of the Dubai World Dermatology and Laser Conference & Exhibition - Dubai Derma 2012 which is scheduled to be held on March 27 - 29 at the Dubai International Convention & Exhibition Centre.

With Dubai's growing reputation as a global destination, the Dubai Health Authority, the strategic health authority for the Emirate of Dubai, strives to uphold the country's medical tourism which is a catalyst for growth and innovation in the healthcare market. Dubai DERMA 2012 complements this objective as it brings the very best healthcare professionals and unfold the best practices in the field of dermatology.

As evidenced in the previous years, Dubai Derma constantly provides high-quality courses, conferences and workshops which meet the continuing education requirements of dermatologists and professionals in this field.

With this, I would like to welcome everyone to join us in this scientific endeavor - Dubai Derma 2012!

## **MESSAGE FROM THE CONFERENCE CHAIRMAN**

On behalf of the Scientific Committee of Dubai Derma 2012, I would like to welcome the delegates of the Dubai World Dermatology and Laser Conference and Exhibition - Dubai Derma 2012 with its theme "Skin Health is Our Concern". Dubai Derma is a highly specialized meeting in Dubai where dermatologists, laser specialists, plastic surgeons, general practitioners and skin care specialists have the opportunity to convene every year.

The Dubai World Dermatology and Laser Conference & Exhibition which will be held on 27 - 29 March 2012 will bring together prominent speakers from the region and around the world, covering a wide spectrum of themes affecting the science of dermatology. The Dubai Derma scientific program provides a four-day pre-conference course, all-encompassing conference sessions and workshops exemplifying novel cosmetic and dermatological procedures.

The Scientific Committee spearheaded by the International Academy of Medical Specialization will develop an extensive program that will update the participants on the technology, practices and recent trends in Aesthetic Medicine, Anti-Aging, Cosmetic Dermatology, Dermatological Therapies, Dermatology Science, Dermatopathology, Hair & Nail Therapy, Dermatopharmacotherapy, Medical Dermatology, Skin Rejuvenation Techniques, Body Contouring, Aesthetic Lasers and Plastic Surgery.

As part of its commitment to deliver a high-quality program, the Dubai Derma committee intelligently plan the topics and courses complying with the standards of the accreditation policy and accomplishing the continuing medical education requirements of the participants.

A warm welcome to all the speakers, participants, exhibitors and visitors of Dubai Derma 2012!
